

Hello fellow Pathfinders,

How have you been? It's the start of a new year, meaning it's the start of a new year for us ND Pathfinder Execs also. Around the end of September or beginning of October, we plan to host a welcome-back event. It will feature food, laughs, and also hitting up with old pals for an awesome new year. Feel free to bring your friends (and friends of friends) to the event. The more the merrier!

Neurodiverse Pathfinders is a group dedicated to the safety and welfare of Neurodiverse individuals. Though this is our primary purpose, we do welcome (and have) members who don't consider themselves neurodiverse but who are nevertheless supportive of Neurodiverse individuals. So if you want to visit us for any reason, feel free to get in contact with us.

To start the year off, there are two noteworthy happenings that will take place very soon

1. For individuals or clubs interested in pursuing projects that will enhance wellbeing for neurodiverse individuals on campus, Neurodiverse Pathfinders is offering project grants for each of the two school terms. More details can be found here: <http://ndpathfinders.weebly.com/>
2. There is a job fair focused on inclusive hiring by several big corporations happening at Robson Square on September 26th. We will be going as a group! Our president, Adrian, will be at the event talking at one of the tables. For event information, please feel free to contact Neurodiverse Pathfinders or visit the event website at <https://www.eventbrite.ca/e/vancouver-job-fair-2018-tickets-48433083657>. Remember to bring your resume!!!

Hope to see you guys all soon!

Sincerely,
Andre Huang, Social Coordinator of 2018-2019
